

Match Arthur's Valentines!

Arthur has been busy all day making cards for his favorite valentines. Can you match the valentines to the people they are addressed to?

The valentines and recipients are as follows:

- Valentines:** Grandma Thora (heart with plaid border), Mom (heart with plaid border), Buster (heart with plaid border), Dad (square with heart corners), Francine (heart with plaid border), Pal (heart with plaid border), Baby Kate (heart with plaid border).
- Recipients:** A dog, a girl with curly hair, a girl with pigtails, a boy with a microphone, a girl with pigtails, a girl with glasses, a boy with a hat, a girl with glasses, a boy with a hat.

A line connects the 'D.W.' valentine to the girl with pigtails.
